Dear Colleague,

We are pleased to invite you to attend Artery 7 which will be held on Friday 14th and Saturday 15th September 2007 at the Prague Congress Centre, Prague, Czech Republic.

This conference follows on from the previous highly successful Artery meetings that have now established a tradition in the field. This two-day meeting will cover the expanding list of topics related to large artery structure and function through keynote lectures, abstract presentations, teaching "How to" sessions, and practical demonstrations of methods of how to assess arterial properties.

Stiffening of large arteries is an important element of vascular ageing, leading to isolated systolic hypertension and increased cardiovascular risk. Furthermore, significance of wave reflections and central haemodynamics is now appreciated. Pathophysiological alterations of large arteries are intimately related to the hypertensive disease, atherosclerosis, diabetes mellitus, end-stage renal disease, smoking, hyperlipidaemia and many other factors. Therefore, methods of assessing arterial stiffness and central haemodynamics are important in the modern management of cardiovascular disease, both in terms of risk assessment and therapy.

We welcome abstracts for both oral and poster presentations dealing with clinical research, experimental studies, epidemiology and genetic research related to large artery structure and function. The presentation of data at this meeting will provide the opportunity for scientific interaction and discussion with a highly informed audience. Furthermore, the participants will be rewarded with prizes for best posters and for those investigators who are already experienced in research, Career Development Awards. All accepted abstracts will be published in the journal, Artery Research, the official journal of Artery the Society.

We look forward very much to welcoming you to Prague in September.

Professor Jan Filipovský
Professor John Cockcroft
On behalf of the Scientific Committee

Supported by an unrestricted educational grant from Servier
08.00-09.00  Registration and Coffee

09.00-09.15  Welcome Address
            JR Cockcroft (UK) on behalf of Artery the Society
            J Filipovský (Czech Republic) on behalf of the Scientific Organisers

09.15-10.45  Young Investigator Presentations

10.45-11.15  Coffee

11.15-11.45  Keynote Lecture
            Waves in the cardiovascular system
            AD Hughes (UK)

11.45-12.35  Artery Career Progression Lectures

12.35-13.00  “How to…” Session 1
            How to measure endothelial function by pulse wave analysis
            C McEniery (UK)

13.00-14.00  Lunch and Chaired Poster Session 1

14.00-15.00  Sponsored Methodological Demonstrations by AtCor Medical and Esaote, including coffee

15.00-16.00  Symposium – Prevention of Cardiovascular Disease in Diabetic Patients: Impact of ADVANCE
            Sponsored by Servier
            Chairpersons: J Filipovský (Czech Republic) and JR Cockcroft (UK)

            Macro and microcirculation in diabetic patients: which is damaging which?
            R Schmieder (Germany)

            ADVANCE Study: study population and morbidity mortality results
            C Giannattasio (Italy)

            Perindopril/indapamide fixed combination and regression of target organ damage: acting through macro and microcirculation
            B Lévy (France)

            Conclusion: JR Cockcroft (UK)

16.00-17.00  Young Investigator Presentations

17.00-17.20  Annual General Meeting

09.00-11.00  Free Communications

11.00-11.30  Coffee

11.30-12.00  **Keynote Lecture**
Homocysteine, large arteries and cardiovascular risk
J Filipovský (Czech Republic)

12.00-12.25  **“How to…” Session 2**
Methodological considerations on measuring central blood pressure and wave reflection
P Segers (Belgium)

12.25-13.45  Lunch, Chaired Poster Session 2 and Parallel Sponsored Methodological Demonstrations by AtCor Medical and Esaote

13.45-14.45  **The McDonald Lecture**
Arterial properties in end-stage renal disease
G London (France)

14.45-15.45  Free Communications

15.45-16.45  **Open Forum:** Can larger arteries be modified pharmacologically?

16.45-17.00  **Prizes and Closing Remarks**
JR Cockcroft (UK), J Filipovský (Czech Republic)
DATES AND VENUE
The meeting will be held from Friday 14th to Saturday 15th September 2007 at the Prague Congress Centre, Prague, Czech Republic. The Congress Centre has excellent conference facilities and enjoys a unique location on one of Prague's hills. Prague Congress Centre is one of the dominant features of the capital of the Czech Republic. From the Congress Centre, you can view the wonderful panorama of Prague over the river Vltava.

The address is: Prague Congress Centre, 5. kvetna 65, 140 21 Prague, Czech Republic.

CONTINUING PROFESSIONAL DEVELOPMENT ACCREDITATION
This is an educational meeting and UK CPD accreditation has been applied for. The meeting will be also be accredited by the Czech Medical Chamber.

TRADE EXHIBITION
Exhibition space is available for instrument companies with an interest in this field. For further information, please contact the Conference Secretariat, artery@hamptonmedical.com.

CONFERENCE DINNER
A pre-dinner cocktail reception with a performance by a string quartet followed by the Conference Dinner will take place in the convent of St. Agnes of Bohemia from 19.30 hours on Friday 14th September. Tickets, at a cost of €75.00 each, include a pre-dinner cocktail, entertainment, a three course meal, wine, coach transfers between the official conference hotels and taxes.

The Conference Dinner will provide an opportunity of meeting informally with colleagues in a relaxed environment. Refunds for conference dinner tickets will not be provided unless the ticket is subsequently re-sold.

Convent of St. Agnes of Bohemia
The convent of St. Agnes of Bohemia was the first convent for nuns of the order of St. Clare north of the Alps, founded around the year 1231 by St. Agnes of Bohemia, daughter of King Přemysl Otakar I. The building is one of the earliest examples of the penetration of the Cistercian-Burgundian Gothic style into Bohemia and is the oldest Gothic architectural complex in Prague. The building today houses the National Gallery's permanent exhibition of Medieval Art in Bohemia and Central Europe. The convent is situated in downtown Prague.

From Ruzyné-Prague airport to Prague city centre

The journey from Ruzyné-Prague airport to the city centre takes around 20 to 25 minutes by taxi, or around 55 minutes by public bus. There is no metro or train connection to the city centre. However, you can take a public bus to the nearest metro station, Dejvicka. The public buses depart from the airport every 15 to 20 minutes and the journey time is 30 minutes.

Currency
The official currency is the Koruna (Kc), which is divided into 100 halér. Most credit cards including American Express, Diners Club, Visa and MasterCard are accepted. Please note that banks are closed on weekends.

Communication
The international access code for the Czech Republic is +420. The outgoing code is 00 followed by the relevant country code (e.g. 00 44 for the United Kingdom). There are high surcharges on international calls from hotels.

Climate
In September, the days are warm and the nights are cool.

Electricity
Electricity is 230 volts, 50Hz and round pin plugs with a hole for a male grounding pin are standard. Most sockets also take the standard European two-pin plugs.

Language
Czech is the official language but English and German are also widely spoken.

MEMBERSHIP OF ARTERY, THE SOCIETY

Membership of ARTERY is open to anyone active in the field of haemodynamics and large artery structure and function and who usually have had experience in the field of arterial structure and physiology. The Society promotes the advancement of knowledge and dissemination of information concerning the pathophysiology, pharmacology, epidemiology, detection, investigation and treatment of arterial structure and function. The membership subscription fee is €50.00 for full members and free of charge to student members. The annual subscription fee includes a subscription to ARTERY RESEARCH and a reduced registration fee at the annual meeting.

Our annual meetings cover fully the expanding list of topics relating to large artery structure and function through keynote lectures, lively debates, presentations of peer-reviewed abstracts and practical demonstrations. The meetings offer plenty of opportunities for scientific interaction and discussions with dedicated scientists in the field.

For more information and to download a membership application form visit www.artery.uk.net click on membership.
EDUCATIONAL BURSARIES FOR STUDENTS

The Scientific Organisers are very pleased to be able to offer a small number of educational bursaries to assist students with their attendance at the meeting. Each bursary will be offered to a maximum value of €500.

Bursary applications will be accepted from students who are **presenting an abstract as first author**. They should submit a CV and a letter of recommendation from their Institute or Organisation stating clearly why they cannot meet the conference costs from other resources.

All applications will be reviewed by the Scientific Organisers who will award bursaries to the best applicants. Bursary applicants will be notified by 10th August 2007.

Successful applicants will be required to pay a registration fee to attend the conference. Bursary payments will be made after the conference. The cost of the registration fee may be reclaimed and the balance of the bursary payment may be used to cover travel and accommodation up to a total value of €500 (including registration fee). Claimants must provide proof of payment for any travel and accommodation which is being claimed. The Organisers’ decision will be final.

**Bursary applications should be sent to:**

**DEADLINE FOR APPLICATIONS - FRIDAY 20TH JULY 2007**

**LEGAL NOTICES – Disclaimer & Privacy Statement**

All best endeavours will be made to present the programme as printed. However, the Conference Secretariat reserve the right to alter or cancel, without prior notice, any of the arrangements, timetables or plans relating directly or indirectly to the conference or exhibition, for any cause beyond their reasonable control. The Conference Secretariat is not liable for any loss or inconvenience caused as a result of such alterations. Participants are advised to take out their own travel insurance and to extend their personal policy to cover personal possessions: the conference does not cover individuals against cancellations of bookings or theft of belongings.

In the event that the Conference is cancelled by the organisers, or cannot take place for any reason outside the control of the organisers, the registration fee shall be refunded in full. The liability of the organisers shall be limited to that refund and the organisers shall not be liable for any other loss, cost or expense, howsoever caused, incurred or arising.

The Secretariat will hold and process your personal details on our database. This information is necessary for the legitimate management of this conference, which may include it being available to any organising/sponsoring company. We may also use these details to provide you with details of other conferences or events that we are organising. Please advise us should any of your details change. You may of course remove your details from our database by advising us in writing, at any time.
INSTRUCTIONS FOR PREPARATION OF ABSTRACTS

ON-LINE SUBMISSION ONLY

Only abstracts submitted on-line will be accepted. **All abstracts must be submitted electronically before Friday 25th May 2007.**

ACCESSING THE ON-LINE SYSTEM

- Access the website at [www.artery.uk.net](http://www.artery.uk.net), click on ‘Meeting’, then ‘Abstracts’
- Follow the instructions provided for First Time Users to register your email address and correspondence details, and to create your own password.
- Once you have registered, you will receive an automatic email confirmation of your password. You will also receive guidance notes for the preparation of abstracts, and the official Microsoft Word abstract template. These can also be downloaded from the on-line system at any time.

COMPLETING THE ABSTRACT TEMPLATE

- **Save the template to your computer** before you start to work on your abstract. **If you try to fill this in on-line you will not be able to submit your abstract successfully.**
- The only data you should enter into the template are the title of the abstract and the abstract content.
- Enter only the abstract title in the title box (not the author’s names or addresses). The abstract title should reflect the main contents of the abstract. Do not use abbreviations.
- You will be prompted for all other information (e.g. author and co-author names, contact details, oral/poster presentation preference, areas of interest) during the submission process.
- Please include the names of all co-authors and confirm their acceptance of the submission of the abstract by clicking on the relevant tick box. Please do not forget to enter your own name here too.
- Please note that you must answer all questions marked ‘mandatory’ in order to successfully submit your abstract.

ABSTRACT SIZE AND PRESENTATION

- The maximum number of words is 250 including references (if you add a table or graphics to your abstract, please be aware that this will reduce the number of words you can submit). **Do not alter the size of the template** to enable you to submit a longer abstract. Abstracts are checked for size and rejected if too long.
- Abstracts may be reduced in size for printing, so all lettering/symbols/lines should be clear and distinct.
- Abstracts should be typed single-spaced – minimum type size 11 point. Please use Arial, Times New Roman and Symbol fonts only. If you think you may need to use other fonts please contact the Secretariat before submitting your abstract.
- Abstracts must be submitted in English.

ABSTRACT CONTENT

- Abstracts should refer to completed work and not work in progress, should include details of the results to be presented, and should not include phrases such as ‘the findings will be described’.
- Use standard abbreviations only and place any unusual abbreviation in parenthesis after the full word the first time it appears.
- Use generic names of drugs. References should be kept to a minimum and, ideally, should be consistently presented in Vancouver (numbered) style.
- Tables should be kept simple and should be inserted as tab-spaced text or Word tables, not pasted from other applications.
